

## CAREERS: Parents / Carer information and resources

Current research shows that parents/carers are the greatest influence on a child's career decision.

With an ever-changing labour market, changes to the education and examination systems, along with the introduction of various new pathways into the world of work, it can be difficult to know how best to support your child.

All pupils from Year 7 onwards are encouraged to participate in our Careers Programme and have access to careers guidance meetings with our Level 6 qualified Careers Advisers.

As a parent or carer, you will meet a member of the Careers Team at pupil review meetings, EHCP reviews, and parents events from Year 9 onwards. In addition, you can contact the Careers Team on [careersteam@jamesbrindley.org.uk](mailto:careersteam@jamesbrindley.org.uk) to arrange a meeting, phone call, virtual meeting via TEAMS or ZOOM.
